Continuing Professional Development (CPD) Policy

The following Policy Statement was agreed by the Management Committee in May 2006 and reviewed again in 2018.

"Bexley Swimming Club is committed to continuing professional development (CPD) for its coaches, teaching and poolside helpers to a level of qualification appropriate to the individual involved.

A contribution towards the financial cost/expense of CPD will be considered by the Management Committee but this should occur before the activity is booked and paid for.

BSC will endeavour, if the Club's 'Special Circumstances' budget allows, to pay a contribution towards the cost.

If a contribution is agreed then this will be confirmed in writing by the Hon Secretary".
